9. If you are a limited liability company, then you are required to submit documentary proof that the majority of the voting power in meetings of the company shall be held by directors who are consulting engineers (or equivalent professionals of associated professions).

10. You are also required to declare any involvement or interest if it is considered by you to be in real or apparent conflict with the duties to be performed for this consultancy. Any involvement or interest declared would be carefully considered but would not automatically bar you from being further considered in the selection process.

11. For information, the Assessment Panel has agreed that for this consultancy, the past performance of sub-consultants will [*or will not*] be assessed in the Technical and Fee Proposal stage.

12. Consultants in Group [number] under the Service Category of [name of Service Category] maintained by EACSB are invited to make Expression of Interest submission for this Assignment. The initial list of qualified consultants approached for this Assignment is given in Annex _____ of the EIP for your information. Joint ventures with participation of local and/or overseas consultants with at least one of the participants or shareholders being on the above initial list are also invited to make submission of Expression of Interest for this Assignment. Based on the response received, normally [four*/five* (the latter for pairing of consultant selection exercises)] suitable firms will be shortlisted for submission of technical and fee proposals. **【Inclusion of Annex B as an Annex to this letter is mandatory.】**

12a. Your attention is drawn to the bidding restrictions set out in Annex _____ to this letter. **【Inclusion of Annex C as an Annex to this letter is mandatory.】**

12b. If you propose to engage sub-consultants for this Assignment to undertake sub-consulting services under any of the listed Service Categories and/or service discipline having a list of consultants maintained and published by the Government shown in Annex _____ to this letter, **【Inclusion of Annex D as an Annex to this letter is mandatory.】** you must ensure that the sub-consultants concerned have complied with bidding restrictions as set out in Annex _____ **【Inclusion of this Annex to this letter is mandatory - see**

Paragraph 12a. above】 . Failure to comply with this requirement will lead to disqualification of your Expression of Interest submission.”

12c. 【*Insert if applicable*】 The list of sub-consulting firms for undertaking sub-consulting service not under any service discipline having a list of consultants maintained and published by the Government is given in Annex _____ to this letter for your information. 【*Inclusion of this Annex to this letter is discretionary - see Section 2.3.1(b)(iii) of the Guidelines*】 You may consider teaming up with the sub-consulting firms on the list if required for this Assignment. For the avoidance of doubt, this attached list of sub-consulting firms is non-restrictive and for your information only. You are not obliged to engage the sub-consulting firms on the attached non-restrictive list as sub-consultants for this Assignment. The Expression of Interest submission for this Assignment in respect of sub-consultants will be evaluated on an equal basis, whether the sub-consultants are on the attached non-restrictive list or not. The Government will not be responsible for any liability in respect of your engagement of sub-consulting firms on the attached non-restrictive list. 【*Insert Annex E, if applicable*】

12d. 【*Insert if applicable*】 For the avoidance of doubt, you are not obliged to engage only the consulting firms on the lists given in Annex _____ to this letter 【*Inclusion of Annex D – see Paragraph 12b. above*】 for solely undertaking the following services in this Assignment:

【*This paragraph can be inserted (i) when the Assignment comprises services outside the listed Service Categories or disciplines and the procuring department considers that the consultants may propose in the submission to engage sub-consultants for undertaking such services, and/or (ii) when the procuring departments would like the consultants to engage sub-consultants with specialized knowledge, overseas experience and/or providing expert/innovative input, etc. Before inserting this paragraph, the procuring department shall check with the list management departments where appropriate or seek prior approval for deviation from bidding restrictions – See Sections 2.3.1(b) and Section 2.3.4 of the Guidelines*】

The Expression of Interest submission for this Assignment in respect of the sub-consultants solely for the above services will be evaluated on an equal basis, whether the sub-consultants are on the lists given in Annex _____ to this letter 【*Inclusion of Annex D – see Paragraph 12b. above*】 or not.

13. No consultants are permitted to submit more than one bid for the same agreement. For the avoidance of doubt, consultants who submit a bid in their own name and a bid in the name of an unincorporated joint venture/partnership (with the consultants concerned as a participant/partner) will be considered as having submitted two bids. Consultants (these must be consulting firms to be eligible for being considered for this consultant selection exercise) having linkages to each other, e.g. subsidiaries, parent or sister companies are not allowed to bid on the same agreement. Only one firm among such consultants, as the case may be, should be allowed to submit expression of interest for a consultancy agreement. In your expression of interest submissions, you are thus required to declare any linkage with other consultants on the above list. For the avoidance of doubt, if you have no linkage with any consultants on the above list, you are also required to declare the same in the expression of interest submissions. The existence of a holding-subsidary relationship shall be determined in accordance with the provisions in Sections 13 to 15 of the Companies Ordinance (Cap 622), “Sister companies” shall mean all companies which are subsidiaries of or otherwise belonging to the same holding company. Consultants having linkages should sort out among themselves before submitting any expression of interest.

14. For the purpose of this “no linkage” requirement, an academic institution and any separate entities/companies formed by the same academic institution or any of its current staff, or any two of such entities/companies (whether formed by the same staff or not), shall be regarded as “linked”. An academic institution, and all such entities/companies formed by it or any of its current staff (whether by the same staff or not), shall be allowed to submit only one expression of interest for the same consultancy agreement. You are also required to declare any such linkage with other consultants on the above list, if applicable. An

entity/company is regarded as formed by the academic institution or its staff if the latter is a partner/shareholder or a director of the former, whether or not the latter is a founding partner/subscriber when the entity/company was formed. However, the “no linkage” rule does not apply to “linked” consulting firms (including academic institutions) who bid as sub-consultants only for any agreement.

15. Failure to observe the requirement stated in paragraphs 13 and 14 shall render all related expression of interest submitted null and void and any such submission shall not be considered.

16. **【Insert if applicable, please refer to the-then SETW’s memo ref (00WNL-02-4) in ETWB(PS) 106/11 dated 6.1.2006 for details:** The consultant appointed in the early stage consultancy is a potential bidder, but all the information which was made available to that consultant and all the advice which the consultant has provided and which is relevant to the procurement of this consultancy will be equally made available to all potential consultants upon request. **】**

17. If sub-consultants are to be employed, you are required to complete the table in Annex _____ to this letter indicating, if any, the scope of sub-consulting services to be undertaken by each listed and unlisted sub-consultant to be employed, the relevant listed service category or discipline for which each sub-consultant is to be employed and the corresponding list maintained and published by the Government. If your proposed sub-consultant is unlisted but an application for inclusion on the List of Consultants of EACSB under the relevant Service Category has been made prior to the date set for close of submission of Expression of Interest, please also indicate on which the date such application is made in the table. Failure to submit the table as required above with the Expression of Interest submission will lead to disqualification of the consultant’s Expression of Interest submission. If you have any enquiry in completing the table on whether the sub-consulting service to be undertaken by a sub-consultant is within the scope of a particular listed service category or discipline and would like to seek clarification, your enquiry must be delivered to me by hand before 12:00 noon, _____ **【the procuring department should specify the exact date here, say at least ten working days before the deadline for submission of EOI】**. The enquiry shall be sufficiently specific to facilitate the preparation of clarification. Late enquiry will not be entertained. **【Inclusion of Annex F as an Annex to this letter is mandatory.】**

18. You should indicate in your staffing proposal which of the proposed staff are core personnel and the employment status (i.e. fulltime or not) at the time of bidding of each and every core personnel to be deployed by you or your sub-consultants in this Assignment. You should also indicate which core personnel will undertake the designations of the Project Manager, the Project Director and the [three] Team Leader(s) **【the procuring department shall amend it where appropriate to align with the assessment criteria】** as required in the assessment criteria. You should produce undertaking signed by all non-fulltime core personnel (of yourself or your sub-consultants) to confirm their involvement in the event that you are awarded the consultancy.

19. **【For agreements that are administered by works departments and exceeding the Quotation Limit in SPR 220, this paragraph and inclusion of Annex A as an Annex to this letter are mandatory.】** The requirements for ISO 9000 certification are set out at Annex ___ to this letter.

20. Please note that documents of unsuccessful consulting firms will be destroyed three months after the date the Agreement has been awarded and signed.

21. **【Insert if applicable: Please note that this invitation is made before the necessary funds for the consultancy have been approved. The Government reserves the right to cancel this consultant selection exercise for not having the necessary funds approved or for any other reason, in which case you will accordingly be notified.】** It should be noted that the Government will not be responsible for the reimbursement of any cost incurred by you for the preparation of the submission.

22. I should be pleased if you would acknowledge receipt of this invitation letter.
