Sham Shui Po (Road Works)**

General Description of the Works

Under powers delegated by the Secretary for Transport and Logistics under section 3(3) of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) (“the Ordinance”), the Permanent Secretary for Transport and Logistics proposes to execute the road works within the limit of works area as shown on Plan No. CE36/GZP/101 (“the Plan”) annexed hereto and described hereunder. The proposed works are required to provide engineering infrastructure works necessary to serve the public housing developments at Chak On Road South and Pak Tin Extension.

2. The general nature of the proposed works is as follows –
 - (i) widening sections of the existing carriageways at Nam Cheong Street;
 - (ii) modification and reconstruction of sections of Chak On Road South;
 - (iii) construction of carriageways, footpaths, pedestrian crossings and vehicular run-ins/run-outs;
 - (iv) permanent closure and conversion of sections of the existing carriageways into footpaths and central reserves/refuge islands;
 - (v) permanent closure and conversion of sections of the existing

- footpaths into carriageways and central reserve/refuge island;
- (vi) permanent closure and conversion of sections of the existing central reserves/refuge islands into carriageways;
 - (vii) demolition and conversion of sections of the existing slopes into carriageways, footpaths and central reserve/refuge island;
 - (viii) permanent closure and demolition of sections of the existing carriageway and footpaths;
 - (ix) temporary closure and reconstruction of sections of the existing carriageway, footpaths and central reserves/refuge islands; and
 - (x) ancillary works including drainage, waterworks, sewerage, street lighting, utilities, public lighting, landscaping, traffic aids and street furniture.

Roads to be Closed

3. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 17 of the Ordinance may be exercised to close permanently sections of the existing carriageways, footpaths and central reserves/refuge islands; and temporarily sections of the existing carriageways, footpaths, pedestrian crossings, amenity areas and central reserves/refuge islands within the limit of works area as shown on the Plan. Temporary alternative access will be provided and temporary diversions will be carried out during the construction period as and when required. Further notice, setting out the manner in which such carriageways, footpaths, pedestrian crossings, amenity areas and central reserves/refuge islands are to be closed, will be issued under section 18 of the Ordinance as and when required.

Apparatus whose Course or Position to be Altered

4. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 20 of the Ordinance may be exercised to require alteration of the course or position of any gas, electricity, water or telecommunications service apparatus, such as electricity cables and ducts, telecommunication cables and ducts, water mains, gas mains, drainage pipes, sewers and any other service apparatus lying within the limit of works area, and to require repairing of any road surface thereby disturbed. Further notice, setting out the manner in which the course or position of such apparatus is to be altered and such road surface is to be repaired, will be issued under section 20 of the Ordinance as and when required.
