under section 5 describing**

### **PWP Item No. 7896TH Development of the Loop — Eastern Connection Road**

#### **General Description of the Works**

Under powers delegated by the Secretary for Transport and Logistics under section 3(3) of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) (“the Ordinance”), the Permanent Secretary for Transport and Logistics proposes to execute the road works within the limit of works area as shown on Plans Nos. 60722948/GAZ/112 to 60722948/GAZ/115 (“the Plans”) annexed hereto and described hereunder. The proposed road works are required to meet the traffic demand arising from the progressive development of Hong Kong-Shenzhen Innovation and Technology Park at the Loop.

2. The general nature of the proposed works is as follows:—

- (i) construction of at-grade carriageways, elevated carriageways, a depressed carriageway, at-grade footpaths, a depressed central reserve, verges, at-grade amenity areas, an underpass, refuge islands, a retaining wall, slopes and ventilation openings;
- (ii) permanent closure of sections of the existing at-grade carriageway;
- (iii) permanent closure and conversion of sections of the existing at-grade carriageways into a depressed carriageway, an at-grade footpath, verges, at-grade amenity areas and a slope;

- (iv) temporary closure and reconstruction of sections of the existing at-grade carriageways;
- (v) demolition and conversion of sections of the existing slopes into at-grade carriageways, an at-grade footpath, verges and an at-grade amenity area;
- (vi) demolition and reconstruction of sections of the existing slopes;
- (vii) permanent closure and conversion of a section of the future at-grade carriageway and central reserve/refuge island under PWP Item No. 7760CL Development of Lok Ma Chau Loop – Main Works Package 1 into a depressed carriageway, a depressed central reserve and an underpass; and
- (viii) ancillary works including slope stabilization, geotechnical, drainage, water supplies, utilities, lighting, landscaping, electrical and mechanical works, as well as installation of street furniture and traffic aids.

Land to be Resumed

3. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 13 of the Ordinance may be exercised to resume the land as shown on Resumption Plan No. YLM11375 (Sheet 1 to 3) annexed hereto and detailed in the table set out thereon. Further notice, setting out the manner in which the land is to be resumed, will be issued under section 14 of the Ordinance as and when required.

Roads to be Closed

4. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 17 of the Ordinance may be exercised to close permanently sections of the at-grade carriageways and central reserve/refuge island; and to close temporarily sections of the existing at-grade carriageways, at-grade footpaths, central reserves/refuge islands, amenity areas and run-ins/run-outs within the limit of works area as shown on the Plans. Temporary alternative access will be provided and temporary diversions will be carried out during the construction period as and when required. Further notice, setting out the manner in which such at-grade carriageways, at-grade footpaths, central reserves/refuge islands, amenity areas and run-ins/run-outs are to be closed, will be issued under section 18 of the Ordinance as and when required.

Apparatus whose Course or Position to be Altered

5. For the purposes of or incidental to the works or the use, the Permanent Secretary for Transport and Logistics proposes that powers under section 20 of the Ordinance may be exercised to require alteration of the course or position of any gas, electricity, water or telecommunications service apparatus, such as electricity cables and ducts, telecommunication cables and ducts, water mains, drainage pipes, sewers, gas pipes and any other apparatus lying within the limit of works area and to require repairing of any road surface thereby disturbed. Further notice, setting out the manner in which the course or position of such apparatus is to be altered and such road surface is to be repaired, will be issued under section 20 of the Ordinance as and when required.
