

SECTION 34A
ROBINSON ROAD EAST

SECTION 32A
CAINE ROAD EAST

LEGEND :-

- ML 25 (6m N) Drillhole number (Distance and direction from section line)
- Fill
- Colluvium
- Decomposed rock (grade IV to VI)
- Rock (grade I to III)
- Piezometer response length
- Colluvium (class 3)
- Colluvium (class 2)
- Colluvium (class 1)
- Decomposed volcanic rock (grade IV to VI)
- Volcanic rock (grade I to III)
- Decomposed granite rock (grade IV to VI)
- Granite rock (grade I to III)
- Fill
- Geological boundary, well defined
- Geological boundary, poorly defined
- Limit of study area

NOTES:-

- For definition of colluvium classes 1,2 & 3 refer to the Geology Report
- For location of sections refer to drawing G20

SCALE 1:1000

metres 10 0 50 100 metres

GEOLOGICAL SECTIONS
34A ROBINSON ROAD EAST
32A CAINE ROAD

DATE
JAN., 1982

DRAWING No.
G 1

SCALE 1 : 1000

metres 10 0 50 100 metres

ML 25 Drillhole number
(Distance and direction
from section line)

Fill

Colluvium

Decomposed rock (grade IV to VI)

Rock (grade I to III)

NOTES :-

1. For definition of colluvium classes 1,2 & 3 refer to the Geology Report
2. For location of sections refer to drawing G20

Sheet title :
GEOLOGICAL SECTION
32 B
CAINE ROAD CENTRAL

DATE JAN., 1982	DRAWING No. G 3
--------------------	--------------------

The diagram illustrates a vertical drillhole with several distinct layers. From top to bottom, the layers are labeled as follows:

- ML 25 (6m N)**: Located at the very top of the drillhole.
- Drillhole number (Distance and direction from section line)**: A label pointing to the top of the drillhole.
- Fill**: A layer below the top section, represented by a stippled pattern.
- Colluvium**: A layer below the fill, represented by a solid black pattern.
- Decomposed rock (grade IV to VI)**: A layer below the colluvium, represented by a diagonal hatching pattern.
- Rock (grade I to III)**: The bottom-most layer, represented by a solid white pattern.

A vertical line on the left side of the diagram indicates the drillhole's position, and a horizontal line at the top indicates the section line.

1. For definition of colluvium classes 1,2 & 3 refer to the Geology Report
2. For location of sections refer to drawing G20

SECTION 32C
BONHAM - CAINE ROAD WEST

LEGEND :-

NOTES :-

1. For definition of colluvium classes 1, 2 & 3 refer to the Geology Report.
2. For location of section refer to Drawing G20.
