

STANDARD METHOD OF MEASUREMENT FOR CIVIL ENGINEERING WORKS

1992 EDITION

CORRIGENDUM No. 1/2011

SECTION 27

DAYWORK

- (a) Para. 27.02
2nd paragraph

Replace “Normal working hours shall be 0800 hours to 1700 hours on all days excluding General Holidays” by “For and only for the purposes of this Section 27 for Daywork, normal working hours shall be 0800 hours to 1800 hours on all days excluding General Holidays”.
