

List of Approved Steel Reinforcing Bar Prefabrication Yards

Approved Steel Reinforcing Bar Prefabrication Yards (The Yards) included in the List are published below for general information. The Yards in the List may supply their prefabricated steel reinforcing bar (rebar) products in the Approved Scope(s)* for use in Government projects.

Note: * Scope(s) of prefabrication process(es) approved by the Director of Civil Engineering and Development in the application for admission to the List:

'I' denotes "cutting and bending of rebars"

'II' denotes "fabrication of reinforcement cages"

'III a' denotes "threading of rebars and coupling with reinforcement connectors (Type 1 mechanical couplers in accordance with the Code of Practice for Structural Use of Concrete 2013 by Buildings Department)"

'III b' denotes "threading of rebars and coupling with reinforcement connectors (Type 2 mechanical couplers in accordance with the Code of Practice for Structural Use of Concrete 2013 by Buildings Department)"

'III c' denotes "threading of rebars and coupling with reinforcement connectors (Type 2 TICO frictional press mechanical couplers in accordance with the Code of Practice for Structural Use of Concrete 2013 by Buildings Department)"

Total No. of Approved Yards: 6

Name of Yard	Address of Yard	Approved Scope(s)	Conditions Pertaining to Approval [#]
VSC Construction Steel Solutions Limited	17 Tsing Keung Street, Tsing Yi, New Territories, Hong Kong	I, III a & III b	This approval is granted only to the steel reinforcing bar prefabrication yard of VSC Construction Steel Solutions Limited at 17 Tsing Keung Street, Tsing Yi, New Territories, Hong Kong. No other yard, company, firm or person may hold or claim any entitlement to this approval.
SW Construction Limited	No. 5 Lung Yiu Street, Tuen Mun Area 38, New Territories, Hong Kong	I	This approval is granted only to the steel reinforcing bar prefabrication yard of SW Construction Limited at No. 5 Lung Yiu Street, Tuen Mun Area 38, New Territories, Hong Kong. No other yard, company, firm or person may hold or claim any entitlement to this approval.
Golik Steel (HK) Limited (Tai Po Plant)	Tai Po Industrial Estate, 3 Dai Shing Street, Tai Po, New Territories	I & II	This approval is granted only to the steel reinforcing bar prefabrication yard of Golik Steel (HK) Limited at Tai Po Industrial Estate, 3 Dai Shing Street, Tai Po, New Territories. No other yard, company, firm or person may hold or claim any entitlement to this approval.
Golik Steel (HK) Limited (Tsing Yi Plant)	TYTL 108RP, Sai Tso Wan Road, Tsing Yi Island, New Territories	I	This approval is granted only to the steel reinforcing bar prefabrication yard of Golik Steel (HK) Limited at TYTL 108RP, Sai Tso Wan Road, Tsing Yi Island, New Territories. No other yard, company, firm or person may hold or claim any entitlement to this approval.
Smart (Technology) Global Limited	Nos. 51-53 Fuk Hi Street, Yuen Long INNOPARK, New Territories	I	This approval is granted only to the steel reinforcing bar prefabrication yard of Smart (Technology) Global Limited at Nos. 51-53 Fuk Hi Street, Yuen Long INNOPARK, New Territories. No other yard, company, firm or person may hold or claim any entitlement to this approval.
